ADELAIDE CITY COUNCIL PARKING PERMIT APPLICATIONS

The following items are required from applicants before a Residential Parking Permit will be issued:

- Fully completed Carpark Application Form (attached)
- Current copy of the vehicle's Registration Certificate. Note: If the vehicle is not registered in the student's name, a letter must be provided by the registered owner stating that the student is the primary driver.

Incomplete applications will not be accepted.

Once a complete application is received, Adelaide City Council will issue an invoice directly to the applicant **via email** for the Application Fee and the Permit Fee. In 2016/2017 the Application fee is \$30.00 and the Permit fee is \$146.00.

A Residential Parking Permit will be issued only on receipt of the permit fee.

Adelaide City Council Permits will be posted directly to the College for collection by the student. Permits expire on 31 December each year.

CONDITIONS FOR RESIDENTIAL PERMIT HOLDERS:

- Permits must be clearly displayed face up on the passenger side front windscreen of the vehicle.
- Permits allow parking only in designated areas.
- Permits allow parking only in zones of one hour or more.
- Permit holders do not have to purchase a ticket from ticket machines
- Parking is not allowed in Loading Zones, No Parking Zones or other non-residential permit zones.
- Permits do not guarantee a parking space will be available.
- All vehicles must be moved once in every 24 hours. Failure to do this will result in the vehicle being towed away and will jeopardise the whole system for the College students.
