

Thanks to all the initial donors to the
DR ROSEMARY BROOKS SCHOLARSHIP

On behalf of the **St Ann's College Foundation**, I would like to thank all the initial benefactors who participated and donated to **The Dr Rosemary Brooks Scholarship Appeal**. The scholarship was launched recently at the opening of the new Halls of Residence cocktail party. The fundraising for this scholarship is now ongoing.

The Most Prestigious Scholarship in Australia.

It is the Foundation's aim to make this scholarship one of the most prestigious scholarships in South Australia, if not Australia, as a fitting tribute to the immense contribution by Dr Brooks over many years.

The number of students who have benefited from Rosemary's care, experience and encouragement is vast. St Ann's students have spread far and wide and participate in advancing the cultural, technical and ideological depth in their respective communities. The influence that Rosemary would therefore have had on the future of South Australia, Australia and even the world, is significant by any measure.

Major Contributors

I would particularly like to thank major contributors including Governors of the Foundation and members of College Council, and the many who have given what they can for this most worthy cause.

NOW IS THE TIME. If you want to recognise Rosemary's achievements, if you have been a direct beneficiary of her nurturing and care, or if you have seen someone flourish under her stewardship and would like to join in and make a donation, no matter how small or large, it will be welcomed. Please be aware that all donations are tax-deductible.

Your donation will assist us as we head toward making this Scholarship significant, valuable and life-changing.

Yours sincerely

Jason Turnbull
Chair of the St Ann's College Foundation
